

Financial Support

Bromley Welfare Fund:

This is a scheme is to help Bromley residents on low incomes to:

- Establish themselves in the community following a stay in temporary accommodation provided by Bromley Council
- Establish themselves in the community following a stay in hospital or similar settings
- Maintain a home in the community
- Settle in to accommodation when they are discharged from the council's homeless duty

The scheme will cover applications for the following:

- Furniture – beds only
- Household equipment – cooker, fridge freezer

Awards are discretionary. The funding for the scheme is limited, each application will be considered on its own merits.

They are unable to give awards for emergency payments or for replacement goods.
