

Your GP

General practitioner doctors (GPs) look after the health of local people in Bromley. They deal with a whole range of health problems. These NHS doctors also provide health education, offer advice on smoking and diet, run clinics, give vaccinations, do simple surgical procedures and can make referrals to other health services and social services.

If you need help finding your nearest GP practice, call NHS England on 0300 311 2233 or visit www.nhs.uk GP out of hours - call 111

Out-of-hours GP services are for when urgent medical attention is required and should only be contacted if you cannot wait until the next day to be treated. When your GP surgery is closed, call 111 from 6.30pm to 8am weekdays and all day Saturday, Sunday and bank holidays.

South East London Integrated Care Board : <https://www.selondonics.org/icb/>

South East London Integrated Care Board (NHS South East London), established on 1 July 2022, is a newly created statutory body. NHS South East London will now support and build upon existing health and care partnerships established by the [Integrated Care System \(ICS\)](#).

The ICS was established in 2019 and continues as the partnership that brings together the full range of organisations responsible for publicly funded health and care services across the six boroughs.
