

Invisible Palace

Invisible Palace is a charity based in South East London which brings people from a whole range of backgrounds together through shared interests for collective activity. Working across the five boroughs of Bromley, Croydon, Lambeth, Southwark and Lewisham, in the neighbourhoods that surround Crystal Palace Park.

The work of Invisible Palace takes a participant led approach, with the small team developing and running activities championing the needs of those taking part and creating programmes which respond to this need on a local and individual level.

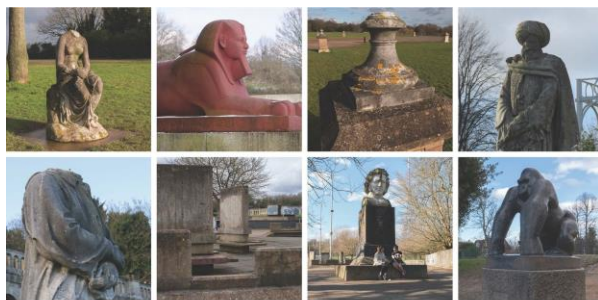

Invisible Palace offers a range of activities including gardening, heritage walks, talks and visits.

“I've been working with the group for almost 2 years, and I find it lovely to take care of the green spaces and also create friendships in the area”.

“The garden is beautiful in every season. I love watching the changes. Volunteering here is often the highlight of the week”.
