"Talk" Radio

Mindset Matters

LTB Declaration

- ❖ All of us can learn to be better at talking and listening to fellow humans
- ❖ The only way that we are going to achieve genuine closeness is to have better conversations with each other
- ❖ Better conversations include listening to each other in a calm and respectful way on all topics

Going forward

- To get interactive and talking
- Create and hold inspiring events –themed
- Grow awareness of the importance of communication
- Create 2 LTB hubs in Borough of Bromley
- Rollout workshops in schools, workplaces and other environments
