The Blendis Trio Simon and Aki violins Saoko piano

Simon Blendis has been leader of the London Mozart Players for 10 years and is one of the UK's most sought-after violinists. His wife Saoko is a successful pianist and accompanist and their recent album together of rediscovered salon treasures has accumulated over 5 million streams since its release in 2022.

Their 16 year old son Aki is an accomplished violinist in his own right. He was a string finalist in the BBC Young Musician 2022, aged just 14, and has since appeared as a recitalist and soloist with several orchestras, including LMP.

Their programme together is a charming mix of duos and trios, including arrangements of popular classics and showpieces.

Wine, fruit juice, water and nibbles will be served in the interval.
Donations for refreshments help sustain our Music Matters series.
