MAGPIE DANCE'S BRAND-NEW ONLINE HOLIDAY SCHOOL

Back in August, a group of Magpie dancers started a new project on Zoom. Together with our fabulous facilitators and marvellous musicians, they began to create a Makaton Dance video of Justin Timberlake's "Can't Stop the Feelin'". Click [here](#) to watch the trailer.

Everybody involved loved the project so much that we decided to launch it again, and give even more people a chance to be part of our Makaton Dance video!

From Tuesday 27th - Friday 30th October, participants are invited to work with the Magpie team, share ideas, create new dances and have their chance to shine in our funky music video! The sessions will be taking place on Zoom so that they are fully engaging and interactive. The best part is, that no matter where you are in the UK, you can still join in!
