

## **The Hygiene Bank Bromley (THB)**

The Hygiene Bank Bromley is a grass roots, community initiative operating via a network of volunteers involved in the collection of donated hygiene products and distribution through a network of Community Partners including schools, food banks, shelters and other organisations supporting those in need across the Borough of Bromley.

At The Hygiene Bank believe it is not right that feeling clean should be a luxury or a privilege for anyone in our society, yet many are living in poverty and cannot afford to stay clean. The charities passion stems from the injustice that people may be unable to fully participate in society due to hygiene poverty.

The charity's Belief, Vision and Mission are:

- **Belief:** basic hygiene is not a privilege.
- **Vision** one day everyone in the UK will have access to essential hygiene products.
- **Mission:** to bring communities, businesses and thought leaders together to tackle hygiene poverty by giving access to products and being a voice for change.

THB do this by:

- The Hygiene Bank operates via a network of volunteers to collect donated hygiene products from designated drop off points, including local Boots stores, and to distribute them to a series of signed-up third party Community Partners for onward distribution to those in need.
- The Hygiene Bank also raises funds through grants and donations.
- The Hygiene Bank campaigns to eliminate hygiene poverty and change policies nationally.
